# Software Solutions

from Harcourt Assessment

Save up to 50% of your scoring time with our range of scoring and reporting software

## Why would I use a Scoring Assistant?

- Saves you Time up to 50% faster than hand scoring
- Error Free Scoring fully computer generated - eliminates scoring mistakes
- Generate Concise Score Reports automatically from your PC by simply entering raw scores

## Why would I use a Report Writer?

As well as automatically scoring, report writing software also:

- Saves Time and Effort by generating quick, easy and error-free reports
- Report Writer Software allows you to score a case, maintain demographic information, store raw scores and produce comprehensive reports
- Includes Comprehensive Interpretative Reporting Functions allowing you to interpret clinically significant differences between scores
- Produces Customisable Narrative Reports that are both clinician friendly and parent-friendly
